LET'S PREPARE TOGETHER THE FIFTH
MIDDLE EAST CONGRESS ON
AGE AGEING & ALZHEIMER'S THAT WILL
TAKE PLACE IN TRIPOLI-LEBANON

The 5th Middle East Congress of Age, Ageing, and Alzheimer's will bring together a network of key players, renowned scientists and professionals representing all fields of gerontology and geriatrics. Major changes continue to occur in Geriatric Care in the Region. These changes were greatly contributed to by various actors in the region including the Middle East Academy for Medicine of Ageing that started in 2002 and had played a leading role in the region in term of education, training, and development. So far the Academy had five cycles of postgraduate courses. Abyad Medical Center and Middle East Longevity Institute were instrumental in organizing these meetings. Over the previous years, several reputable official governmental, regional and international organisations have helped in the development of the academy.

There are 18 countries participating in this landmark event in the region. In addition to 60 international, regional and local speakers well known in their field. The exhibition will provide the opportunity to meet experts and professionals, to share ideas and experiences with colleagues from around the world, to learn about projects and techniques from five continents and to strengthen the formal and informal ties between professionals.

We look forward to welcoming you in Lebanon

Sincerely,

*A.Abyad, MD, MPH, MBA, DBA, AGSF,AFCHSE, Lebanon
Hashim Hasan Balubaid, M.B., ChB.SSC-Med., FACP, Saudi Arabia*
